To view and listen to the live virtual presentation, please connect directly through this web address <https://usednvgl.globalmeet.com/DNV1> at 6:00p.m. on February 24 and select the browser option. For more information, please visit the Project website (<https://nationrisewindfarm.com/>) under the Community Section.

If you can't join virtually, please dial 1-855-950-3708 for audio. Guest code is 382191.

Open to the General Public for Viewing

The Nation Rise Wind Farm (the "Project") is a proposed wind farm of approximately 100 MW that is located in the United Counties of Stormont, Dundas and Glengarry in the Township of North Stormont, Ontario. The Project received a Renewable Energy Approval (REA) from the Ministry of Environment, Conservation and Parks (formerly the Ontario Ministry of Environment and Climate Change) on May 4, 2018. As part of the REA, the Project has established a Community Liaison Committee (CLC) primarily for residents within one kilometer of the Project, but also open to anyone with an interest in the construction, installation, use, operation, maintenance and retirement of the Project.

The CLC is intended to be a forum to discuss Project updates, milestones, concerns, issue resolution, and mitigation. CLC members will be asked to act as a liaison facilitating two-way communications between the Project and members of the public to provide updates and seek feedback regarding the Project.

DNV GL will coordinate each CLC meeting. All meeting materials (minutes, presentations, etc.) will be made available for public review on the Project website at <http://nationrisewindfarm.com/>. The agenda for the meeting will be posted on the Project website in advance of the meeting.

This sixth CLC meeting is open to the general public for observation. For public health and safety considerations, it will be held virtually. The public can attend by entering the following web address in their internet browser <https://usednvgl.globalmeet.com/DNV1> or by connection by phone (dial-in number: 1-855-950-3708; Guest code: 382191). Brief Public Inquiries may be presented by members of the public. Please note that should a significant number of Public Inquiries be received in advance of the meeting, the CLC members and Nation Rise Wind Farm LP will review the inquiries and make a final representative selection for discussion at the CLC meeting. To be considered as a Public Inquiry, a written request must be sent using the Public Inquiry Form located on the Project website. Public Inquiry Forms must be submitted no later than Friday, February 19, 2021, to the Project email address (nationrise@edpr.com). Alternatively, they can be mailed to the following address:

Nation Rise Wind Farm Limited Partnership

219 Dufferin St. Unit 217C,
Toronto, Ontario M6K 3J1
